

REMARKS

In response to the office action mailed on July 20, 2005, applicants submit herewith a Sequence Listing, in paper and computer readable form, dated August 17, 2005, and a Statement pursuant to 37 C.F.R. § 1.821. The specification has been amended to include reference to the enclosed sequence listing.

The applicant has also submitted herewith an amended Figure 17. In the original Figure 17, the sequence labeled 35638 was erroneously reassigned SEQ ID NO: 29; as the sequence labeled 35638 was previously presented in Figure 1A and B as SEQ ID NO: 9. The currently presented Figure 17 and the aforementioned amendment to the specification correct this typographical error and reference thereto.

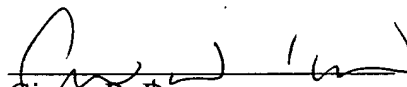

All amendments to the specification are of a formal nature and do not add new matter.

The present application is believed to be in *prima facie* condition for allowance, and an early action to that effect is respectfully solicited.

Please charge any additional fees, including fees for additional extension of time, or credit any overpayment to deposit account 08-1641 (Attorney Docket No.: 39780-1216R1D4).

Respectfully submitted,

Date: August 22, 2005
